Fracture Care

Fracture Care

- * What services are included in Fracture Care..... and what's not!
- * We will review the latest guidelines for reporting cast applications and supplies.
- * Should I report a Global Package or individual services per visit? What are the indications?
- * Can we report an E & M with the fracture code?
- * 800 diagnosis codes versus V codes... which should I choose?
- * Indications for Modifiers -24, -58, -78, -79.
- * Documentation templates for Fracture care and Radiology will be provided...
- * How will the new Anti Markup provisions apply to my x-rays?

23rd Year

How the audio conference works:

1. Register by fax or mail. **\$219.00 per dial-in line.**
2. You will receive a toll-free number via e-mail, prior to the day of the conference. Use this number to dial in 10 minutes before conference begins.
3. You will receive the audio seminar course materials via email, so you can follow along during the teleconference. **"One phone line per registration. Additional connections subject to additional registration fees."**

HANDLE SPECIAL FRACTURE CARE SITUATIONS

- * What codes should I use when patient returns for removal of hardware?
- * Have you ever received an irate call from a patient because they did not have "Surgery"? We'll share techniques.
- * We will provide a Sample Patient Fracture Care Handout that explains the proper billing BEFORE you receive that call!
- * Let's review common fracture care billing errors that hurt your bottom line.
- * How do I report a fracture found several weeks into treatment?
- * Radiology guidelines...professional and technical components.
- * OIG work plan is targeting outpatient diagnostic imaging.
