SEMINARS

800-227-7888

34th Year

How a Webinar Seminar Works:

1. Register by fax, mail or online. Cost is \$285 per one of the following options - landline, computer or Ipad.
2. The audio/video portion for this course can be heard via landline, mobile or web browser. Major browsers on windows, MAC OS X & Linux.
3. You'll receive Dial-in access, and materials a few days before the program.

S

Strategies To Assist Correct Coding, Reimbursement & Compliance

- Latest documentation guidelines for Evaluation & Management codes. When are E & M guidelines for documentation changing? Find out what crucial documentation elements CMS wants. We'll have the 2020 changes.
- Understand the new reimbursement rules for the single payment rate for your E/M levels 2-5.
- Modifiers - the Key to Reimbursement. We will look for the proper way to use them. Learn what may happen to reimbursement when an E/M and procedure are performed on the same day!
- Medicare's replacement for modifier -59. What are the "real requirements".
- CPT codes for Joint Injections with U/S guidance, Trigger Point Injections and JXXXXX Medicine codes. What impact for 2020?
- Direction on coding for multiple procedures. When is the -51 appropriate? Or an unlisted code?
- FRACTURE CARE CODING - Medicare and Private Payers rules. ICD-10-CM impact on reimbursement.
- MACRA learn the changes for 2020! Should you be reporting under an APM or the MIPS system?
- Category III emerging technology codes. What impact for coding? Is your specialty entitled to reporting an extra "G code" for additional reimbursement?

L

Learn Coding Techniques That Work!

- Medical necessity for injections and looking at frequency guidelines.
- Discussing Orthopedic Denials and how to get paid.
- Arthroscopy procedural coding and bundling.
- Guidelines to accurately report and document Fracture Care... Global or Non-Global?
- Guidelines for cast applications and supplies.

A

Advanced Orthopedic Coding Techniques Ease Paperwork

- We'll explain how to code Arthroscopic procedures with Open Procedures.
- Coding Shoulder procedures to include Rotator Cuffs, Total Shoulders... open and arthroscopic.
- How do we handle Chondroplasty when performed with other procedures?
- How to code the add on code +29826 Acromioplasty, scope when it is the primary procedure?
- Coding Tips for Spinal joint injections that now includes image guidance.
- Coding for Hip surgeries and revisions.
- Can we code for synovectomies and loose body removals in the shoulders and knees?

HANDLE SPECIAL ORTHOPEDIC SITUATIONS

- Coding challenges for Hip and Knee revisions.
- ACL/MCL/PCL repairs.
- Hyalgan, Synvisc & Supartz coding information (many denials reported).
- Properly document and code for your Non-Physician Providers (NPPs).
- Carpal Tunnel repairs and the coding controversy.
- E/M update on Audit red flags for Medicare. What about 2020?
- Sports Medicine? Hand Surgery? Foot & Ankle? Spine? Which is a different specialty under E/M guidelines?
- Looking at complicated surgery coding from the operative report.

About your seminar leader:

Dawn R. Cloud, CPC, CMSCS, CHCI, and CPOM, She has 26 years' experience in the Medical Industry. She is a Certified Professional Coder through AAPC since 1999, and holds a multi-specialty credential, Certified Instructor credential, and a certified Office Manager credential through PAHCS since 2003. She has been published in PAHCS newsletters and Family Practice Coding Advisor. She currently works teaching Coding Compliance and Consulting for Specialists. Her specialties cover the gamut of medicine and surgery.
