We'll use Workable Examples!

Coding

- E/M levels will be determined by MDM or time. My Doctor says no history or exam will be required. Is that true for 2021?
- Can you explain the changes to the Table of Risk?
- What are the changes for time calculations for 2021?
- What about the flat payment rate? Is an E/M pay cut still expected?
- Will the 2021 E/M changes apply to Hospital visits too?
- Cloned Evaluation & Management Services remain on the OIG Target list.
- And, we've seen increased Audits for moderate & high complexity visits.
