- What are some common deficiencies in medical records? How can I prove?
- Predictive payment models are the wave of the future. Getting on-board now can save \$\$ later.
- Breakdown of Hierarchical Condition Category Coding.
- Bullet-proof your documentation to avoid risks in the future.

Learn How To

About your seminar leader:

Rhonda Granja, B.S., C.P.C., C.M.A. is an administrator, coder, biller and management consultant with 20 years of successful work in varied healthcare practices. From Medicare "Part B" side, administrator in private practice, "fighting it out" with insurances, consulting with varied specialties on-site, and active membership in AAPC & MGMA in support of fellow office managers, she has a rich background. From a practice consulting business to continuing on-site management, Rhonda's experience is unique and comprehensive. Attendees, or consulting clients, have the opportunity of learning solutions to their insurance problems from "real world" experience, both in Rhonda's instruction and the "on-site networking" in our specialty only workshops. Ms. Granja is committed to assisting medicine oriented specialty practices in taking charge; to stop being "controlled" by patients, insurance companies, managed care and governmental agencies. Please join with your fellow Medical Specialty offices for her unique seminar day discovering solutions together.

NOTE! You can register on-line now! Visit www.mcveyseminars.com & click on "live webinars" under latest updates, then find your topic. You may also fax registration form with credit card to: (415)892-1271
