- How to "address" conditions not being treated by your physician.
- What about the new definitions of Prolonged Services?
- How will the medical team documentation factor in to the "weight" of the E/M?
- What level of MDM does "chronic illnesses with exacerbation" fall under?
- What about an "undiagnosed new problem with uncertain prognosis? Moderate or High Risk?
- What are auditors looking for?
- If screening tests are ordered during the problem-oriented visit, can those be included in the MDM process?
