About Your Seminar Leader . . .

Ray Cathey's, PA, FAAPA, CCS-P, MHA, MHS, CMSCS, CHCI, CHCC, background is unique in support of medical practices. He has assisted thousands of Physicians and staff across the U.S. over the past twenty eight years. The result has been appropriate payments of insurance claims that would have otherwise been underpaid. Having degrees in health care administration and health care sciences, as a registered nurse, and as one of the initial certifications in the Physician Assistant Program, you will find Ray's knowledge extensive. His training and consulting work is based on current work-place experience and success in recovering maximum, rightful reimbursements for medical practices in both the fee-for-service and managed care/capitation arenas. No one has trained more medical offices in insurance reimbursement across the nation. We count Ray Cathey as one of the top medical insurance coding and practice management experts in the country. We invite you to discover why and register today.

Special Section: We will bring you all of the 2022 changes and updates.
