Can your practice survive an Audit?  
Updates for 2022 Telehealth

- \* PHE is still in effect as it has been extended through October.
- \* Listing will be provided as to what services constitute as Telehealth/Virtual Medicine.
- \* More and more providers are starting to realize some advantages of providing these services. Is your provider on board?
- \* What will happen when the PHE ends?
- \* What services are on the 2022 work plan? Is Telehealth being audited?
- \* What must be documented to be compliant.

### How a Webinar Seminar Works:

1. Register by fax, mail or online. Cost is \$239 per one of the following options - landline, computer or Ipad.
2. The audio/video portion for this course can be heard via landline, mobile or web browser. Major browsers on windows, MAC OS X & Linux.
3. You'll receive Dial-in access, and materials a few days before the program.

**WHAT IS MY PRACTICE IMPACT?**

- Are there special modifiers for reporting Telehealth services?
- Can we contact our patients for a Telehealth visit?
- How long can we report E/M visit codes under Telehealth for CMS?  
What about Commercial Payers?
- Are APP's covered to perform services and report to Medicare for Telehealth?
- Are both New and Established Patients covered under Telehealth? what about after PHE?
- Compliance checklist will be included to make sure that your provider delivers these services accurately and correctly.

**About your seminar leader:**

Rhonda Granja, C.P.C., is an administrator, coder, biller and management consultant with over 15 years of successful work in varied healthcare practices. From Medicare "Part B" side, administrator in private practice, "fighting it out" with insurances, consulting with varied specialties on-site, and active membership in AAPC & MGMA. From a practice consulting business to continuing on-site management, Rhonda's experience is unique and comprehensive. Rhonda is committed to assisting medicine oriented specialty practices in taking charge; to stop being "controlled" by patients, insurance companies, managed care and governmental agencies.
