36th Year

(PLEASE BRING YOUR ICD-10-CM & CPT BOOKS)

C

Correct Reimbursements From Indemnity payers, Managed Care & Medicare!

- Medicare's new "Correct Coding Policy" keeps changing several times a year. **Don't lose out on money that's rightfully yours. We've got the latest.**
- Latest documentation guidelines for Evaluation & Management codes. When are E & M guidelines for documentation changing? Find out what crucial documentation elements CMS wants for 2022.
- Understand the new reimbursement rules for the single payment rate for your E/M levels 1, level 2-4, and level 5.
- Document and code for what you do. Charge and file claims according to your contracts. This principle for doing business with insurances is critical to survival..
- **Modifiers**, a key to opening the door to accurate reimbursement. Dealing with the new definition of the -25 and -59 modifiers could impact an increase or decrease in your revenue. It depends on your understanding and working **within the guidelines**. We'll explore ENT's use of them all. Ex: Why carriers are denying E & M with scope, even with -25.
- E & M and procedures will be watched closely by Medicare with increased audits... Physicians, **learn what may happen to reimbursement when these are preformed on the same day.**

L

Learn ENT Coding Techniques That Work!

- ICD-10-CM Conventions and Rules. What's new for 2022?
- What is changing on in office procedures, and reimbursement for the Laryngoscopy codes?
- Submit your OP notes 1 week prior to the seminar to get a live answer on the call. We will go through these together to maximize reimbursement
- **Guidelines for HCPCS Coding:** We will show you the many HCPCS Level I & II codes that have been added or deleted to conform with the RBRVS system. Also included is a complete listing of which **modifiers are still in use.**

A

Advanced ENT Coding Techniques Ease Paperwork

- Learn all of the major changes involving **global surgery, minor surgery, non-incisional procedures, and endoscopy definitions; PLUS, site of service differential, supplies, injections and medications.**
- Third Party payers & allergy testing - what is the latest?
- Home sleep studies - the latest updates.
- "Incident to", are there any changes for 2022?
- **Getting paid on the first insurance form submission.** Learn the basics of what works. It is different between private, government and managed care insurers.

WE PROVIDE ANSWERS TO MEDICARE PROPOSALS

- Medicare's proposals to the Physician Fee Schedule. What's the latest?
- What EM service codes should be used instead of Consult codes?
- New Medicare rules could cost your Practice big \$\$\$.
- CMS proposes payment reduction for physician owned high cost imaging.
- Special accreditation requirements for technical services may be in your near future.
- Beware of Templates and EMRs that encourage you to improperly code higher visit levels.
- Medical Necessity for Complexity of Decision Making is essential for proper EM levels of service.

The McVey Guarantee

We unconditionally guarantee your full tuition for up to one year. After attending, if you did not feel the investment worthwhile, please write to us with your comments. We believe in the value of our seminars and services - and we think you will too!
