36th Year

## W

### **orkshop Curriculum**

- ◆ 2022 Cardiology CPT Coding Updates. 2023 CPT code additions/ changes and deletions for seminars after October 15, 2022
- ◆ Cardiology procedure Documentation
- ◆ Fraud & Abuse, making sure you are compliant
- ◆ ICD-10-CM practical tips
- ◆ Evaluation and Management Coding for Cardiology
- ◆ What parts of procedures are "bundled" and what can be added-on
- ◆ Mastering CPT and HCPCS modifiers is essential for proper reimbursement
- ◆ Learn techniques to paint an accurate picture of medical necessity
- ◆ In 2021, the E/M documentation rules change! We'll review the new 2023 Inpatient Hospital/Observation coding updates

## C

### **ardiology Workshop Highlights**

- ◆ How to bill for "branches" when coding for interventions. Who pays and who doesn't?
- ◆ Coding from procedures notes & reports
- ◆ Appealing denied claims
- ◆ Electrophysiology and device implant update
- ◆ Proper coding & documentation for echocardiograms w/ Spectral Doppler and color flow Doppler
- ◆ Defibrillator and pacemaker monitoring - remote and in office - single, dual or multiple lead follow-up guidelines
- ◆ Complete coding for heart catheterizations done at the same session as intervention - what to charge and what not to charge

## A

### **dditional topics to be discussed**

- ◆ Audits and reviews forms
- ◆ Using the Correct Coding Initiative
- ◆ Are you properly coding for "peri-procedural" device programming?
- ◆ The latest on "non-selective" cath placement rules - guidelines, revisions
- ◆ How to code combination procedures - heart cath and peripheral at same setting
- ◆ Supervision Guidelines: Medicare's chapter-verse
- ◆ Major changes to Hospital Inpatient/Observation visit coding; discharge coding and Emergency Room Visit Coding on 1/1/2023
- ◆ Advanced Practice Provider billing updates

## Handle Special Cardiology Situations

- ◆ How 2023 ICD-10-CM Diagnosis code changes impact Cardiology
- ◆ Coding Emergency Procedure after a Consultation
- ◆ Working with Advanced Practice Providers (NPs/PAs) in the office and hospital
- ◆ Self-Auditing your practice

### *About Your Seminar Leader . . .*

Ray Cathey's, PA, FAAPA, CCS-P, MHA, MHS, CMSCS, CHCI, CHCC, background is unique in support of medical practices. He has assisted thousands of Physicians and staff across the U.S. over the past twenty eight years. The result has been appropriate payments of insurance claims that would have otherwise been underpaid. Having degrees in health care administration and health care sciences, as a registered nurse, and as one of the initial certifications in the Physician Assistant Program, you will find Ray's knowledge extensive. His training and consulting work is based on current work-place experience and success in recovering maximum, rightful reimbursements for medical practices in both the fee-for-service and managed care/capitation arenas. No one has trained more medical offices in insurance reimbursement across the nation. We count Ray Cathey as one of the top medical insurance coding and practice management experts in the country. We invite you to discover why and register today.

**Special Section: We will bring you all of the 2022 changes and updates. CPT 2023 changes and updates as they become available after 10/15/2022.**

## Registration Form ----- **ACT-NOW!**

We are registering \_\_\_\_\_ person(s) for The 2 day Coding Course. We will receive a workbook, all materials & refreshments. Fees are: \$600.00 first person, \$575.00 each additional person.

Confirm by return fax.

### Recordings

**Can't attend?**  
Send recording on  DVD or  USB of this topic. Price \$575.00. (materials will arrive 1 week after order is received.)

## E PROVIDE ANSWERS

- Are you coding heart cath with interventions correctly? How about heart procedures with peripheral procedures?
- Correct coding for trans-catheter valve replacement/repair procedures..
- How "routine" testing could cost your practice \$\$\$ in payment reductions.
- Medicare rules for billing nuclear stress testing.
- Beware of EHR software prompts that encourage you to improperly code higher visit levels.
- CMS/AMA CPT made changes to the documentation guidelines for 2021, any in 2022? Find out the latest.

### *The McVey Guarantee*

*We unconditionally guarantee your full tuition for up to one year. After attending, if you did not feel the investment worthwhile, please write to us with your comments. We believe in the value of our seminars and services - and we think you will too!*

## For More Information

**If you have any questions regarding this seminar, on-site seminars or consulting please call TOLL FREE: 1-800-227-7888.**
