WE PROVIDE ANSWERS

- Updates on the current issues that RACs, OIG, CERT and Individual Payer Auditors are looking at in Gastroenterology Practices.
- Should we use the indications or findings as the primary diagnosis for a procedure?
- Under what circumstances will Medicare pay us for a visit on the same day as a procedure?
- Have the "X" modifiers replaced modifier 59?
- If a patient is eligible for colon screening & has symptoms, is it screening or diagnostic?
- Do Anesthesia claims also require modifier 33 or PT to trigger preventive benefits?
- The American Cancer Society revised Colon Screening Criteria. How does this impact our practices?

The McVey Guarantee

We unconditionally guarantee your full tuition for up to one year. After attending, if you did not feel the investment worthwhile, please write to us with your comments. We believe in the value of our seminars and services - and we think you will too!
