About your seminar leader:

Jennifer McNamara is the CEO of Healthcare inspired LLC. With a strong passion for healthcare and a deep understanding of the industry, I am dedicated to helping healthcare organizations harness the power of data to drive performance improvement, enhance patient care, and achieve their overall strategic goals.

With over 20 plus years of experience in practice workflow solutions, I have gained a comprehensive understanding of the intricate workings of healthcare administration. My journey in this field began at the ground level, working as a receptionist, where I developed a firsthand understanding of the challenges and complexities faced by professionals on a daily basis.

Throughout my career, I have witnessed firsthand the transformative power of data-driven insights in healthcare. Recognizing the immense potential of data analytics to drive positive change, I founded Healthcare Inspired LLC to help organizations unlock the full potential of their data.

I started my Career in 2000 and have worked in many specialized areas of Coding including Orthopedics, Plastic Surgery, General Surgery, Ophthalmology, Podiatry and many more. My coding team provides Auditing, Consulting, RCM services, Credentialing and Compliance through our team of experts.

I am truly passionate about making a positive impact in the healthcare industry and helping organizations navigate the complexities of the ever-evolving landscape.

I look forward to connecting with healthcare professionals, sharing insights, and working together to transform healthcare through the power of data-driven solutions.

I hold the following credentials CCS, CPC, CDEO, CRC, CPMA, CGSC, COPC, CPCI and serve as the Consulting Editor for the AAPC Codify Podiatry Newsletter.

I am the host of the podcast "Healthcare inspired" discussing what inspires all of us in the advancement of patient centered healthcare. It is available on many podcast stations, I also serve as an Auditor for Doctors Management LLC.
